## DETAILED ACTION

### *Priority*

Receipt is acknowledged of papers submitted under 35 U.S.C. § 119(a)-(d), which papers have been placed of record in the file.

### *The Information Disclosure Statement*

The prior art cited in the information disclosure statement filed on April 13, 2007 has been considered. The prior art considered includes documents cited in the International Search Report.

### *Allowable Subject Matter*

Claims 1-15 are allowed over the prior art of record.

### *Examiner's Statement of Reasons for Allowance*

The following is an examiner's statement of reasons for allowance:

As to independent claim 1, the prior art of record, taken alone or in combination, fails to disclose or render obvious a differential spectrophotometry process for analyzing a non-limpid medium comprising the steps of lighting the non-limpid medium with at least one light pulse, acquiring at least one spectro-temporal transmission image in counting mode through at least one light collector from the medium thus lit and processing the image and its partial derivatives as a function of the wavelength and of the flying time so as to acquire information about the non-limpid medium, in combination with the rest of the limitations of the claim.

As to independent claim 5, the prior art of record, taken alone or in combination, fails to disclose or render obvious a differential spectrophotometry device for analyzing a non-limpid medium comprising a pulse light source to light the non-limpid medium, means for acquiring from the medium thus lit a spectral and temporal transmission image in counting mode and means for processing the image considered as the zero order moment and its partial derivatives as a function of the wavelength and of the

time in order to acquire information about the medium, in combination with the rest of the limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

*Fax/Telephone Numbers*

Any inquiry concerning this communication or earlier communications from the examiner should be directed to the examiner whose telephone number is (571) 272-2414.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Gregory J. Toatley, Jr. can be reached on (571) 272-2800 ext 77. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.
